

**10.1"2K**  
**GLASSES-FREE**  
**TABLET**  
Model #-EX3D2KCS-10.1

**PRODUCT SPECIFICATIONS**

It's here, Exceptional 3D first ever Glasses Free 10.1 Android tablet with 10-point capacitive touch screen that delivers amazing lifelike graphics with the ability to playback immersive stereo 3D side-by-side videos and some of your favorite games all in 3D without the need of glasses.

This handsomely designed 10.1 tablet offers a refreshingly thin and lightweight design, with great gaming performance, and a super-sharp screen with a resolution of 2560 x 1600.

In addition to all the applications you regularly use with a traditional 2D tablet, you will also find our 3D media player, that will allow you to take any stereo 3D movie and watch it in 3D without the need for 3D glasses.

Watching 3D movies has never been easier, now choose your favorite 3D films and videos simply and quickly delivering 3D films and videos to your Glasses Free 3D tablet with our built-in Apps from You Tube and 3doo the world's largest cloud-based streaming video platform.

Are you a Gamer? Now you will also be able to play some of your favorite Android based games in 3D, like Final Fantasy IX, Crossy Road, Jetpack Joyride and Angry Birds 2.
